### Morsø Curva Fire Tool Set

With the Curva range, Morsø has created a beautifully minimalistic fire tool set, typical of its simple high quality Danish design and a great addition to its accessories range. Every piece performs a task and complements the other pieces in the range. The dish stores the firelighters, the dustpan holds the brush and also forms the lid of the dish.

*Material:*  
Steel & Rubber  
*Colour:* Black  
*Measures:* Ø24xH13 cm

### Morsø Curva Poker

To complement the Curva fire tools, Morsø have produced the Curva poker. Made in a pleasing shape but also comfortable to hold, the poker is ideal for cleaning up and particularly suitable for moving round the embers and breaking them into smaller pieces. It is also magnetic so, when not in use, the poker attaches to the back of the stove to tuck out of the way.

*Material:*  
Steel  
*Colour:* Black  
*Measures:* L46 cm  
*Weight:* 1 kg

### Morsø Ellipse Fire Tool Set

The Morsø Ellipse Fire Tools consist of a brush, shovel and poker which also doubles as a blowpipe, all contained in a bucket that can be used to store gloves, matches and fire starters. The breather function of the poker is ideal for providing extra air to the fire during ignition and when cleaning your stove the bucket is perfect to use for the removal of cold ashes. The Ellipse is the perfect product to ensure your safety and ease when tending to your fire.

*Material:*  
Steel  
*Colour:* Black  
*Measures:* W27.5xH30xD22 cm  
*Weight:* 5 kg

### Morsø Loop Fire Tool Set

The Morsø Loop Firetool set is an ingenious contemporary style of fireside toolset, the tool pieces fitting together to hang as one rectangular shape on the wall. The set consists of three ergonomic parts. The brush is incorporated into one half of the toolset, the other half forming the ash scoop, made from a hard-wearing rubberised finish. The ash rake has a soft rubber handle. When not in use the Morsø Loop fire tools set hangs neatly from its magnetic wall base.

### Morsø Classic Trivet

This decorative cast-iron trivet, Morsø's original trivet, is ideal for both the dinner table and under a pot plant on the floor. The combination of the heavy cast iron and the airy design with the original logo from 1853 gives it a robust feel, yet at the same time a light and elegant look. The trivet has small rubber feet so it won't scratch if placed on your table or floor.

*Material:*  
Cast Iron  
*Colour:* Black  
*Measures:* Ø19xH2 cm  
*Weight:* 0.9 kg

### Morsø Squirrel Trivet

This decorative cast-iron trivet, comes with the well-known squirrel motif from the 1930's. If you are going to use either trivet under a humidifier or kettle on the stove, remove the rubber feet first. If you have a kettle or humidifier sitting on your stove, we recommend placing the trivet under the kettle. It ensures a more controlled evaporation.

*Material:*  
Cast Iron  
*Colour:* Black  
*Measures:* Ø19xH2 cm  
*Weight:* 0.9 kg
