

Rinnai Touch™

The Rinnai Touch™ is the latest innovation in climate control, allowing you to create total home comfort with pure simplicity.

The ability to control your Rinnai Ducted Gas Heater, Evaporative Cooler and Dual Comfort system is at your fingertips with the sleek Rinnai Touch™, high-resolution colour touchscreen controller.

It's that simple. The culmination of many years of development, the Rinnai Touch™ combines the best engineering and technology into one interface. Taking the smarts from previous generation Brivis controllers, we've eliminated the complexities of conventional programmable controllers, without compromising on features and functionality.

Features and Performance

- ✓ **Simple to use**
