## Freestanding
electric fire

With the versatility to be placed almost anywhere in the home, the portable ilektro Freestanding is the flexible option for virtually any living space.

The ilektro Freestanding's realistic flame, glowing logs and flickering embers are viewable from all angles through its three curved glass panels.

For those looking to achieve a realistic wood fire aesthetic, the ilektro Freestanding can be installed with a powder-coated black flue.

Plug-and-play installation and simple front-facing controls make the ilektro Freestanding the perfect fit for any home.

### ilektro FLAME TECHNOLOGY
The ilektro Freestanding delivers a lively flame that makes an impression in any space. Charred logs with a tailored ember bed complete the fireplace experience
